LONDON, July 18 .- The English bank of the River Platte (ilmited), with office at 15 Saint Swithin's lane, this city, of which Mr. A. F. Smithers is managing director. has suspended payment in consequence of its failure to secure assistance that it ex-pected to receive to enable the bank to tide over its trouble. The difficulties of the bank are due to the locking up of South American securities. The capital of the bank is \$7.500,000, half of which is paid in. The other half of the capital is only appli-cable in the event of the bank's liquidation. The institution has a reserve of \$2,100,000. During the past two years the bank has paid a yearly dividend of 10 per cent. The difficulty in which the bank now finds itself arose from the impossibility of collecting debts it has in the Argentine Republic in consequence of the decree recently issued by the Argentine Republic.
